

ONE-CALL, ONE MEMBERSHIP

A change in state law eliminates the two-tiered system for Colorado 811 members. Tier Two Members must convert to Tier One status and Colorado 811 is here to help.

Benefits of Converting Now

Compliance with state law

ALL locate requests received from Colorado 811

No missed locate requests

Improved damage prevention

Transmission ticket fees waived through December 31, 2020

CONVERSION STEPS

1
Complete application & submit to Colorado 811

Available at Colorado811.org or call Colorado 811

2
Verify/update utility maps for your area

3
Confirm transmission method email or ticket management system

4
Review new ticketing process with Colorado 811

KEY DATES

January 1, 2019

All Tier Two members will receive transmissions through Colorado 811 if email address is provided

January 1, 2021

All Tier Two members **MUST** have completed conversion to Tier One

30 conversion applications can be processed at a time

30 days are needed to complete conversion process

Applications are processed in the order received. Waiting until Fall 2020 to begin the conversion process may put you at risk of non-compliance with state law.

The Sooner You Can Convert, The Better.
